THREE-TIER FROCK IS LATEST

Not one slanting hemline, but three, help this new gown show how very new it is.
Even the waistline slants and after that what could one expect? The waistline is now and the skirt is really long.
This is just one of the smart tailored frocks that stroll along the

avenue these chilly autumn days. Crepes, twill and even velvet are the materials used.
Cordelle crepes, blistered silks and madras are seen, too, and it is doubtless the popularity of these elaborate materials that has done away with trimmings, since only plain fabrics are improved by decorated
